THE LAND OF KENTUCKY.

Written by an adopted son of Kentucky, and read by Governor Willson in his welcome to the Shriners at their big meeting this week in Louisville.

"Know'st thou the land where the corn-tassels bloom,

Where the mystical cocktail exhales its perfume, Where the highballs sparkle with flavor divine, And the schooners sail fast 'neath the shade of the vine?

Know'st thou that land, that beautiful land?

"Know'st thou the land where the julep was born, Where the Mint yields its breast to the Spirit of corn,

Where the ice strikes the glass with a musical sound,

And the straw shrieks aloud when the bottom is found?

Know'st thou that land, that beautiful land?

"Hear'st thou the call of the Bluegrass to thee: 'Come over the river, come Southward to me, Where a welcome awaits from Kentucky's old boys,

Oh, come to that Southland and taste of her joys?"

Oh, come to that land, that beautiful land.

"Know'st not that land? Then thou art unlucky, 'Tis gallant, 'tis brave, 'tis hearty Kentucky That calls from the river that flows to the sea,

'Come Southward to meet us, cross over and see, Oh, come to that land, that beautiful land."

Some of the "drys" in the county are circulating petitions requesting Judge Bradford to call an election on the local option question October 24. Those claiming to be in a position to know, say that this step is entirely unnecessary; that when a county is once voted "dry" that it remains that way until a county vote is taken and the verdict reversed by the voters, and that no precinct in the county is entitled to vote on the question separately. The writer is not giving this as his individual opinion, but that of one of the best posted attorneys in the county. It might be well to investigate this matter thoroughly before going to the expense of holding an election unnecessarily.—Augusta Chronicle.

Mrs. ANNIS on the stage ought to be a holy show.

THE "Progressives" in the Senate do not make much progress.

BAILEY and HASKELL appear to be two of a kind grown on the same stalk.

THE next or regular session of the Sixty-first Congress will be a most interesting one, for then we shall see what the "Taft policies" are.

VICE-PRESIDENT SHERMAN is still "Sunny Jim," whether presiding over the Senate, at a ball game, or delivering a Commencement address.

It is hoped and expected that the new Tariff will be so satisfactory and effective that Tariff revision will not be thought of again for at least ten years.

SEVENTEEN Democratic votes in the Senate against free lumber will make mighty rotten lumber for the next National Democratic platform.—New York World.

THE record of JOE BAILEY, the burly Senator from Texas, is anything but an ornament to himself or his country. He has been proven to be a grafter and his conduct in the Senate in grabbing Senator BEVERIDGE and Reporter MANNING by the throat, proves that he is a hot-headed bruiser.

FREE Trade is dead. And there is not one to mourn its departure.

OYSTER Bay is looking forward to a quiet summer.—Boston Globe.

THE new Tariff will be called the Aldrich Tariff, or by some the Payne-Aldrich Tariff.

WHEN a rank pessimist like JIM HILL says business is going to be good you can lay a wager that it is going to be phenomenal.—Los Angeles Times.

THERE is a growing suspicion that Senator BAILEY would make an ideal cell mate for Abdul Hamid.—Denver Republican.

That would be giving Abdul the limit.—Cincinnati Enquirer.

EDDY Fox's lines and songs often poke fun at New Rochelle. Says Mrs. Foy: "New Rochelle is paradise to me. Kerosene lights are better than arcs—when they illuminate a happy home."

THE present situation of the Democratic party on the Tariff question recalls the Irish bull: "If ANDREW JACKSON were alive today, sir, he would be glad he is dead."—St. Louis Globe Democrat.

"I WANT to protect American interests. That is my policy. I don't care what name you call it, I am for it." This was the statement with which J. W. DANIEL of Virginia began a speech in the Senate in support of a high duty on quebracho, which is a chestnut bark extract used in tanning.

INVISIBLE.

"Oh, Mamie, wot do you suppose he finds in me ter love?"
"You've got me guessing, Alice."

SPLENDID RECITAL

Miss Moore's Music Pupils Delight Audience at Washington Opera-House

A very successful musicale was given at Washington Opera-house last evening by the pupils of Miss Moore's music school. All the voice numbers were particularly well rendered and showed points of excellence bordering on the artistic.

Miss Imogene Best is to be congratulated upon her beautiful voice and artistic rendering of "The Sweetest Flower," by L-hmann, and "Hush, My Baby," by Berigan.

An effective number was the trio, "Welcome to Spring," by the charming little girls, Linole Maud Breeze, Mary Alter Barbour and Alta Adams.

Miss Tillie Parker played with true impressionist style and artistic tone quality "The Idylle," by Sibelius, an excerpt from the recital she so successfully gave on last Friday evening.

The duos by Miss Parker and Emmitt were effectively rendered.

Miss Margaret Brown sustained the many points given her, displaying her usual beauty and strength of voice.

The audience was unusually attentive and sympathetic and inspired the pupils throughout the evening.

Dr. Notts' Letter Arouses a Storm of Protest. Sticks Stoutly to a Statement. Offers to Put Up Money to Back His Opinion.

In a recent issue of this paper Dr. Nott, whose fame is a matter of National recognition, stated that there was no cure for baldness. An opinion which is evidently not shared by all, otherwise the existence of numerous concerns that advertise to cure baldness, to put hair on a billiard ball, etc., would be imperiled. What Dr. Nott did state, as reference to the issue containing his statements will corroborate, was that he had never seen in all of the thousands of cases which have passed under his notice, one instance where the disease of baldness had been cured. But he did state as well that he cheerfully admitted that there were remedies that would restore gray hair to the color of youth, and that there were Hair Tonics which would encourage the growth of hair, cure dandruff and the ordinary diseases of the scalp, he referred particularly to Q-Ban Hair Restorer and Q-Ban Hair Tonic. Dr. Nott states that he will give to any charitable institution named \$1,000 on receipt of any authentic proof showing that hair has ever been put on a bald head where the roots were dead. Since his last statement the druggists have in general laid in a supply of Q-Ban Hair Restorer and Tonic. Anyone who wants to win the \$1,000 that the doctor offers may send a letter to Q. B. Dept., Memphis, Tenn. He states, and any druggist will indorse the statement, to the effect that six bottles of Q-Ban Hair Restorer fails in a single instance to change gray hair to a natural color, that if the patient has used six bottles and the result is not as claimed, a letter written to Dr. Nott will bring back the money expended, and that if a six-bottle lot of the tonic don't increase the growth and strength of the hair, cleanse and put the scalp in good condition, money will also be returned. You know your druggist—ask him.

J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair commencing to fade you can have the first bottle of Q-Ban Hair Restorer free. Simply call and ask for it.

For sale at all druggists.

Home-Grown Strawberries

Now coming. My supplies will come direct from the growers by express and will be on sale here on same days they are picked. Will be sold WHOLESALE and RETAIL in full-size cups just as they come from the patches and will be as heretofore—the best that come to this market. The long-protracted drought last year killed out many of the patches and the crop will be short, and my advice to those who want berries is to not put off securing what they may want. I am expecting some very fine berries, so place your orders with me and I will guarantee satisfaction.

My supplies of vegetables are now principally HOME GROWN and I am in position to at all times furnish the best and the freshest. Flour is still booming. This week I am going to offer the Famous

Perfection FLOUR \$7.50 Per Barrel

and at that I am still under the market. Just received my last shipment of FANCY OLD POTATOES from the North for both table and planting purposes.

NEW RULE

Of Court of Appeals Says Lawyers Must Cite Cases From Kentucky Reports Only

The Court of Appeals has adopted a new rule, through the operation of which its members hope to simplify their work to a large extent. This new rule provides that whenever a case is cited or referred to by counsel in brief or argument, and it has been published in the Kentucky Reports, the official publication of the Court, that publication must be cited, referred to and used, and no other.

The new rule will work a hardship upon the reporter systems which have been in vogue for many years, and which were largely quoted from by attorneys over the State, who found them easier of access and easier to quote from, in presenting points by brief to the Court. The new rule will not go into effect until the September term of the Court.

COAL TONNAGE

Last Month's Big Business Done by the C. and O. Railway

The month ending the first of June was the largest business month ever experienced by the C. and O. Railway Company. Almost every month this year has shown an increase over the same month last year, but the month of May shows more business transacted than ever before during the same length of time.

From the New River District 676,535 tons of coal and coke were hauled, and from the Kanawha District 50,710 tons of coal and coke, making 1,227,245 tons hauled from the two Districts during the entire month.

This is an increase of \$2,120 tons over the previous month and an increase of 472,488 over the month of May, 1908.

The next largest month was that of November, 1907, when the total tonnage hauled was 1,210,710.

This excellent report is shown in the face of the strike which was on for several days in the Kanawha District. Though this did not affect the report to any great extent, it emphasizes the fact that business is steadily increasing.

The Record in Maysville Is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by backache, during which time I tried various remedies without obtaining beneficial results. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning felt very tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. J. Wood & Son's Drugstore. They proved very beneficial in my case and in a short time cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

"You have such nice stores in Maysville, so much nicer than we have at home."

"Home" was a city a third larger than Maysville. The remark, a spontaneous tribute to the effective and tasteful display of nice merchandise in the show-windows of several of our most prominent and successful merchants.

The group, with the discriminating stranger, passed on, as others paused to admire and express their preferences.

Those silent salesmen in the window were reaching out after the shoppers of the morrow in their most receptive mood, getting business for the Boes, and reflecting credit on his store and town.
